

 <b>JESÚS OÑATE</b>	<b>COMPANY POLICY</b>	<b>Rev:</b> 06 <b>Date :</b> 2023/07/20 <b>Page :</b> 1 / 1
<b>DOC-01</b>		

For **Jesús Oñate** the Quality and Environmental concerns determine the management of all activities with regard to:

### **QUALITY POLICY**

- Our management strategy is the satisfaction of our clients based on the continuous improvement of the quality management system.
- The fulfillments of the legal requirements and the specifications of the clients.
- We look for continuous progress of our company, constant optimization of the efficiency of the equipment utilized.
- Through the best use of our workforce.
- All of our activities follow a systematic plan, forecast and schedule.
- And everything is covered by process management and following the directives of the IATF 16949.

### **ENVIRONMENTAL POLICY**

- Adopt the necessary actions for the prevention and minimization of contamination from all our activities, products and processes.
- Establish environmental objectives and targets with the intention of continuous improvement of the global environmental performance.
- It is intention of the company´s management that all of the personnel of the organization participate in the environmental commitment of Jesus Oñate and its surroundings.
- Enforce best practices for the subcontractors who work in the company by applying the environmental norms of Jesus Oñate, in addition to promote the respectful attitude of the environment by our supplier.
- Environmental policy is maintained and revised regularly based on results of the audits.
- Fulfill in a respectful manner the legal environmental requirements and the directives of the ISO 14001.

### **Corporate Social Responsibility**

- Our company is actively and firmly committed to all improvements in social, economic and environmental aspects that generate a positive impact for the common good of society.

Alejandro Olagüe  
General Manager
